

# Be Like the Wise Men

12/1995

D G D A

Es - ther\* can be like the wise men, ear - nest - ly seek - ing the King.  
E - than\*

5 D G D G A7 D

Es - ther\* can be like the wise men; her - self to Him she can bring.  
E - than\* him - self he

*\*Any child's name can be substituted where specific names are printed. If the name has two syllables with the first accented, the syllables are sung on beats one and two. If the name begins with an unaccented syllable, the first syllable is sung as an eighth-note pickup and the accented syllable on beat one, with any subsequent syllables on beat two and the second half of beat one, as accommodates speech rhythm.*
